EXCELLENCE IN A COMMERCIAL REFURBISHMENT/ REDEVELOPMENT UP TO \$5 MILLION

ADVANCED BUILDING CONCEPTS

PROJECT BELAIR HOTEL STAGE 2, BLACKWOOD

Using the construction management approach, Advanced Building Concepts undertook this complex project while the hotel continued to operate. The relationship with the client was very good. Numerous interface issues were successfully overcome with a considerably 'hands on' approach. The high quality and diverse finishes and major kitchen works are noticeable features.

TEMPO CONSTRUCTIONS PTY LTD

Project St George College Library, Mile End
Architect TECTVS

This was a very difficult project where a library was built over existing buildings adjacent to busy South Road. The construction management approach achieved the tight cost frame with the project coming in under budget. The client was extremely happy with the cooperative approach of Tempo Construction as well as the quality of the building.
